

Option Discover Provence on foot (DPP)

This option allows you to practise French while discovering the countryside of Aix-en-Provence, its natural sites, its vegetation and its culture on foot. The excursions are led by professionals who love their region and their job. You have to love walking and be in possession of good shoes!

Objectifs R :

- Discover the natural and cultural heritage of Provence on foot with a professional guide

This optional course is intended exclusively for students taking a FG course or at least 20 lessons CP/week at IS Aix-en-Provence

DPP LEVEL	DPP DURATION	DPP GROUP	PROGRAM – Afternoon and W-E (R)
<ul style="list-style-type: none"> Elementary to advanced (A1 to C1) No beginners (A0) 	<ul style="list-style-type: none"> 2 week course on specific dates About 17 hours in all (the afternoon and 1 full day during the week-end over the 2 weeks) 	Min 4 participants SCHEDULE : 3 afternoons + 1 full day during the week-end	<ul style="list-style-type: none"> An afternoon's walk following Cézanne's footsteps to the Sainte-Victoire An afternoon's walk in the Domain of Beaulieu, a vineyard developing also other activities linked to the soil. The domain is situated on the unique vulcan in Provence An afternoon's walk in the Vauvenargues area, where Picasso spent the last years of his life A full day's walk in the National Park of the "calanques", the rocky creeks of the Mediterranean Sea allowing you to discover the very typical vegetation of this area. Starting from the pittoresque harbour of Cassis, we pass by the Port Pin and Port-Miou creeks before arriving to the point of view dominating the sublime creek d'En Vau
